Clovelly Nippers Season 2011/12 - Information for Parents/Guardians

The Surf lifesaving movement is comprised of volunteers. Clovelly Nippers is no different. You will note that on the Season calendar that various duties are allocated to age groups each week. As a minimum we require you to undertake these roles in a fair and equitable way shared between the parents of the Age group. If the activities are not undertaken the relevant age group will be stopped. Further we need people who:-

- can undertake water safety. You must be a proficient holder of the Surf Bronze medallion to undertake this. If you hold this qualification or are interested in gaining this award please advise.
- can undertake the role of Age Manager Assistant (no bronze required but there is an age managers course to attend);
- are interested in becoming an official or trainer for a variety of Surf disciplines;
- are interested in joining the management of the Nippers in a wide variety of roles. This will enable appropriate transition as current incumbents retire in the course of the year

Yes I am prepared to help in the following way /s

- Water Safety
- Age Manager Assistant
- Trainer
- Joining the management committee of Clovelly Nippers

My child/children in the following age group/s.....

Age Groups are determined by the age of the Nipper at midnight on 30 September eg a child who is 5 on 30 September will be in Under 6 Nippers. SLSA rules prohibit Under 6 and Under 7 Nippers from participating in swim and board events, but they will get wet and there are opportunities in non formal Nippers activities. Please note that a child must have turned 5 years old to commence Nippers.

If you are not undertaking other duties you should be on the beach with your child/children. Not only do your children appreciate your support and interest but you can be immediately located if the need arises.

It is important that you maintain current contact information with the club. Information will be communicated by email and SMS during the course of the year and by necessity this may be at the last minute. Please contact the registrar during the course of the year if your details alter. Registrar - Rebecca Cocks rebeccacocks@optusnet.com.au or Mobile: 0413 457 035

Please familiarise yourself with other requirements including photo policy, no refunds policy and other general matters available on the Club website.

To ensure the Nippers experience a wide variety of conditions, this season Nippers activities will be conducted at other beaches throughout the course of the year incl Coogee, Maroubra and the Royal National Park. Your cooperation in facilitating this initiative is appreciated.
